CLEANING TECHNOLOGIES GROUP, LLC NAMES CHRIS WHITTAKER PRESIDENT OF RANSOHOFF GARMENT DIVISION

October 2021 – Cincinnati, OH

Cleaning Technologies Group, LLC (CTG) is excited to announce the promotion of Chris Whittaker to President of the Ransohoff Garment Division. This division of CTG is focused on the innovation, design, manufacture, installation, and service of specialty equipment outside of the parts cleaning industry.

The specialty equipment typically includes material handling with an advanced controls system. This business provides a significant level of diversification to the core cleaning business. The machines are all fabricated, assembled and validated in Cincinnati, Ohio using lean manufacturing principles to provide just in time delivery for customers. Ransohoff's best in class field engineering team operates across North America, installing and servicing machines in a variety of markets.

Chris is a 2000 graduate of Ohio University with a degree in Mechanical Engineering and he has over 20 years' experience with CTG. In his previous roles, Chris served as VP Business Development & Marketing, VP Sales & Marketing, Proposal Manager, and Applications Engineer.

Cleaning Technologies Group, LLC is a world leader in providing innovative cleaning and waste minimization technologies to precision and industrial manufacturing markets. CTG is comprised of Ransohoff located in Cincinnati, Ohio; Blackstone~NEY Ultrasonics located in Jamestown, New York; and CTG Asia located in Suzhou, China. The Group is the premier provider of high technology, environmentally friendly parts-cleaning and waste-minimization equipment and services to the global marketplace. CTG LLC is a wholly owned subsidiary of NM Group Global, LLC.

NM Group Global LLC is a holding company for a growing group of manufacturing firms with a global reach for sourcing and marketing. Founded in 2002 with the purchase of National Machinery LLC, a world leader in the development and manufacture of cold forming machines, process technology, and aftermarket services. National Machinery, founded in 1874, is headquartered in Tiffin, Ohio with service centers and sales offices throughout the world.
