

## Press Release

### Blackstone-NEY Ultrasonics Introduces the “**New**” AgiSonic Parts Washer

Blackstone-NEY Ultrasonics, a Division of the [Cleaning Technologies Group, LLC](#), a Cincinnati based manufacturer of precision [parts washers](#), is proud to introduce the new [AgiSonic™](#) aqueous parts washer.

Also known as the “WashMaster & Grease Monkey Plus™”, this robust line of ultrasonic cleaning systems designed for heavy duty parts washing with vertical parts agitation, and up to 21 watts per gallon/5.4 watts per liter of 40 kHz ultrasonics. (Optional, 25 kHz)

Constructed of all stainless steel and available in three standard sizes with the new universal “UIB” transducers and a new PLC controller, the AgiSonic is completely self-contained with the largest machine accommodating a platform load up to 500 lbs/227 kg with maximum working dimensions of 40”/1,016mm x 30”/762mm x 8”/203mm high.

The AgiSonic™ parts washer is so versatile; it can be found operating in the harshest industrial environment and even in the most demanding medical clean rooms.

*Cleaning Technologies Group, LLC is a world leader in providing innovative cleaning and waste minimization technologies to precision and industrial manufacturing markets. CTG is comprised of Ransohoff located in Cincinnati, Ohio, and Blackstone-NEY Ultrasonics located in Jamestown, New York, and now CTG Asia located in Suzhou, China. The Group is the premier provider of high technology, environmentally friendly parts-cleaning and waste-minimization equipment and services to the global marketplace. CTG LLC is a wholly owned subsidiary of NM Group Global, LLC.*

*NM Group Global LLC is a holding company for a growing group of manufacturing firms with a global reach for sourcing and marketing. Founded in 2002 with the purchase of National Machinery LLC, the original holding company, and world leader in the development and manufacture of cold forming machines, process technology, and aftermarket services. National Machinery, founded in 1874, is headquartered in Tiffin, Ohio with service centers and sales offices throughout the world.*

*NM Group Global is distinguished by its ability to be acquisitive by having a private equity affiliate, Alpha Capital Partners Ltd. Alpha Capital, founded in 1984, is a private equity investment firm which provides equity financing for promising growth businesses and for buyouts or recapitalization of established companies. Currently Alpha Capital manages over \$135,000,000 through its capital partnerships and other equity accounts.*
